Dear Advanced Classroom Profiler and/or Regional Classroom Profiling Trainer and Classroom Profilers.

I would like to take this opportunity to invite you to attend one of the:

## **2014 Classroom Profiling Refresher Course**

### **To be presented at:**

#### **Cairns:**

**Venue: Cairns West SS Hoare St, Manunda**

**When: Thurs 20<sup>th</sup> and Fri 21<sup>st</sup> February 2014**

**8:30am – 4:00pm each day**

**Mark Davidson will present this training**

**Please don't think you need to be an active Profiler to attend a refresher. The title of the event says it all, it's about you having the opportunity to get back into the swing of Profiling.**

**NB ACPTs / RCPTs who have trained CPs and ACPs, please forward this to your people as they are most welcome.**

#### **Registration:**

Unfortunately I am not able to assist with travel or TRS as there are no funds available.

Registration Fees: 1 day = \$100.00 / 2 days=\$200.00

**Unless notified otherwise, your school will be invoiced and direct debited for your registration costs.**

Any cancellations occurring after:

Friday 14<sup>th</sup> February for the Cairns refresher

or no-shows at the Refresher will still be charged the full registration fee.

#### **Attendance Options:**

You have a couple of options in relation to attending this conference, either one or both days are available. I would encourage you to attend both days to fully experience the benefits of a Classroom Profiling Refresher Course.

**Outcomes** for the 2014 refresher course are:

- To meet other Profilers from across the region to find out what they are doing and how they utilise their skills.
- Discuss ways to enable Profiling to become a part of the 'culture' of the school/s you work in.
- Review Profiling techniques, refine Profiling skills including reflection techniques.
- Discuss changes to the Classroom Profiling website and update on the database program.
- Discuss the Profiling sheets.
- A look at the data base for collating data. (Bring along a laptop if you can and/or a USB memory stick.
- Find out what EQ is up to in relation to Classroom Profiling and RCPT and what is happening in 2014 and beyond, in relation to ESCM (Essential Skills for Classroom Management), SWPBS (school Wide Positive Behaviour Support) etc.
