AEDC School Workshops

February 2015 – May 2015

Queensland schools will participate in the third national collection of the Australian Early Development Census (AEDC) between 4 May and 31 July 2015.

To support schools prepare for the collection, free AEDC School Workshops will be held across Queensland from February to May 2015.

The AEDC School Workshops provide an opportunity for all Queensland Primary Principals, Prep teachers and school leadership teams to prepare for the upcoming collection and to better understand how the AEDC can be used within their schools.

School participation in the census and use of the data is critical to the AEDC's success. The ongoing collection of AEDC data will ensure that governments, communities and schools continue to have the information they need to make a difference in the lives of young children and their families.

Registrations open from January 2015. To keep up to date with all the latest information on dates and locations visit <http://education.qld.gov.au/schools/aedcqueensland/> or email AEDC@dete.qld.gov.au

AEDC School Workshops February 2015 – May 2015
