Inspiring ALL Learners: Honoring Differences and Creating Community through Differentiating Instructional Practices

This 2 day workshop offers a step-by-step plan for creating an inspiring classroom through combining differentiated instructional practices with strategies for developing social-emotional and behavioural skills. There will be an opportunity to design engaging and meaningful lessons that meet standards and benchmarks while keeping the learning in your classroom rigorous and relevant.

Learn a multitude of dynamic, practical strategies and lessons for differentiating 21st century learners and develop tools for supporting students of all cultures and behavioural needs.
