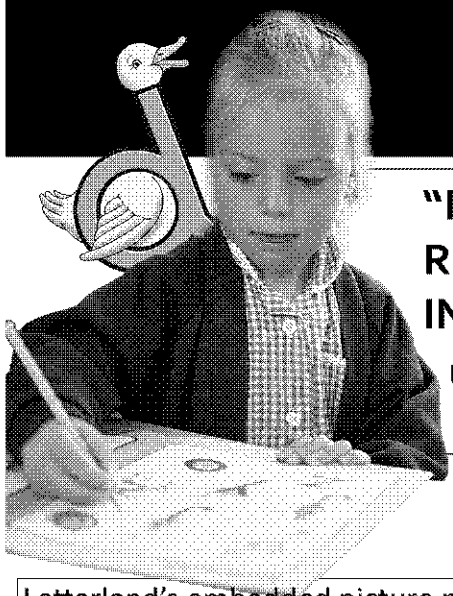
CHILD FRIENDLY PHONICS

Letterland



"I DOUBLED MY STUDENTS SPELLING AND READING RESULTS USING LETTERLAND IN 2014" - QLD STATE SCHOOL

Unleash the power of the Letterland system at your school and witness your students become confident and accurate literacy users!

WHERE LETTERS COME ALIVE!

Letterland's embedded picture mnemonics, actions and little fiction stories befriend children in learning all the letters in the alphabet as well as the 44 English sounds, over 150 spelling patterns and countless spelling rules. Involvement with phonic stories also develops children's speaking and listening, thinking and observation skills, creativity as well as fostering their imagination and vocabulary.

A proven phonic program that has been implemented successfully in schools around the world for over 40 years!
