

Visible Learning International Conference Hilton Hotel, Brisbane 18th & 19th July 2013

Keynote speakers at the conference will include:

Professor John Hattie (Aus)

Internationally recognised education expert
whose research provides the foundation for
Visible Learning

Sir Michael Barber (UK)

Leading authority on school improvement
and standards in the United Kingdom

James Nottingham (UK)

Director of JN Partnership Ltd which assists
schools to implement Visible Learning
throughout Scandinavia

Debra Masters (NZ)

Director of Visible Learning Cognition
New Zealand

Deepen your understanding about the impact educators have on student achievement and learning.

The program offers a wide range of innovative and practical workshop sessions presented by classroom teachers, school executives, educational consultants and regional administrators who are implementing Visible Learning in a variety of settings, across various areas of the curriculum.

The conference will include daily keynote speeches and workshops linked to the five strands of Visible Learning.
