

Edge Hill  
State School  
presents...

A Twilight Session with International  
Education Consultant and QAR author  
**Professor Taffy Raphael**

**EDGE HILL  
STATE SCHOOL**

## Workshop Title: Question Answer Relationships (QAR): A Framework for Comprehension Instruction

QAR, is a powerful research-based approach for improving reading comprehension. It is featured in the Australian Curriculum and C2C units.

Professor Raphael will describe a framework based on 20 years of research for organising questioning activities and comprehension instruction that can be integrated across all areas of learning.

This session is not to be missed for those educators interested in integrating progressive approaches to teaching and learning with improvements in student literacy.

### QAR Question-Answer Relationships

Answer is found...
