

Attention school leaders, policy makers & teachers!

VISIBLE LEARNING^{plus}

Foundation Seminar

Thursday 24th April 2013

Pullman Cairns International
17 Abbott Street
Cairns, QLD 4870

TIME:

9.00am – 3.30pm

COST:

\$299 + GST per person.
(incl. morning tea and lunch)

The **Visible Learning** series provides a contemporary, evidence based experience for those progressing through the National Professional Standards for Teachers.

This seminar introduces you to John Hattie's internationally acclaimed research in his 2009 book *Visible Learning: A synthesis of over 800 meta-analyses relating to achievement* and his 2012 book *Visible Learning for Teachers*. These books explore what really works in education based on 15 years of research and many millions of students; representing the largest ever evidence-based research into what actually works in schools to improve learning

Presented by John Hattie and The Visible Learning Team.

During this seminar participants will acquire an understanding of:

- the key philosophy of **Visible Learning**
- the links between **Visible Learning** and the implications for their own school
- the core concepts of the **five Visible Learning strands**
- **effect sizes** as a useful way to measure progress
- the key characteristics of **assessment capable learners**
- the **mind frames** leaders need to impact on student achievement
- the role of **feedback**
- the importance of **learning intentions** and **success criteria**
- a range of practical **Visible Learning** activities.
- the success criteria needed for ongoing **Visible Learning** work back at their school

Where to Next?

To plan your school's **Visible Learning** future we recommend that you attend the follow up Evidence Into Action two day course where the **Visible Learning** team will equip you with the tools to gather your school's evidence, review your current practice and develop a **Visible Learning** Action Plan for your school.

NB: To be eligible to register for the two day follow up Evidence into Action course, participants must have attended this Foundation Day.

For a detailed outline of the two day Evidence Into Action course please visit www.macmillanprofessionallearning.com.au
